Headteacher P. Agnew BA NPQH

10th February 2017

Dear Parent,

I wanted to write to you with details of the examinations that your child will be sitting over the remainder of this year. Along with this letter, you should receive a copy of the Internal Exam timetable for the Year 10 Exams week of 20th - 24th March. These exams are crucial, not only in giving our students practise in sitting several formal exams in a short period of time, but also in providing our teachers with feedback as to their students' current performance.

In addition, Year 10 students will also be sitting the following external GCSE exams:

English Language - paper 1	6th June morning
English Language - paper 2	2th June morning
Mathematics Numeracy - paper 1	25th May morning
Mathematics Numeracy - paper 2	8th June morning
Science Modular exams	
Biology	14th June morning
Chemistry	16th June morning
Physics	19th June morning
Religious Studies Short Course	7th June afternoon

Please can you talk to your child about the importance of preparing properly for these exams and using sometime over the coming half term to commence revision.

Yours sincerely

Peter Agnew
Headteacher
