26th September 2016

Dear Parents

On Thursday 13th October, Darland students are taking part in a sponsored walk to help raise money for Nyabingoma primary school in Masindi, Uganda. The school has very poor toilet facilities and we aim to raise £5000 to improve this aspect of their school life.

We shall be walking from the school and the walk will take us around the local area. Pupils will be expected to bring waterproof clothing in case of inclement weather and to wear footwear that is suitable for completing the walk as this will take in the region of 1½ to 2 hours. Pupils should also bring with them adequate water so they are appropriately hydrated throughout the duration of the walk. There will be further refreshments to purchase at the half-way stage, so pupils may bring monies for this.

If your child requires medication please ensure that they have this with them at all times throughout the walk.

Each year group will have a particular theme to make the challenging event memorable and fun.

Year 7 theme will be Blue

Year 10 theme will be Neon

Year 8 theme will be Red

Year 11 theme will be Colours of the spectrum

Year 9 theme will be Black & White

We have set a minimum target of £6.00 per student regarding sponsorship and we are encouraging our students to be creative in raising funds in other additional ways. More details will be placed on the website soon regarding exact times and the finalised route but the intention is for the entire event to be completed in school time.

Please complete the permission slip below and the attached Form 4 and return both the slip and form to your son/daughters form tutor by Wednesday 5th October.

Yours sincerely

Mr P Agnew
Headteacher

Name of Child Tutor Group

I give permission for my child to complete the charity walk on Thursday 13th October 2016

I will ensure that they have with them the following medication throughout the walk

Signed(Parent/Carer)

Please return this permission slip and the Form 4 to your child's form tutor no later than Wednesday 5th October
