4th October 2017

Dear Parents

Year 8 Parent Information for Effective Support Evening **Wednesday 11th October 2017**

You are invited to attend our forthcoming Parent Information for Effective Support Evening. We will outline how the academic year will look, including the various topics to be covered and when the key assessments will be. We will provide this information in a guidance sheet and this will include a list of recommended resources and website links, where to find previous exam papers and exemplar answers. Some subjects will have some of this material to purchase or to order.

We have arranged more opportunities for students to experience answering questions in examination conditions in the main hall or in the classroom where they will have formal assessments throughout the year. We believe this will help them retain key knowledge and subject specific information and help them to recall it at a later date in their school career.

The evening will begin at 6.30pm and should be concluded within thirty minutes. Your sons and daughters do not need to attend as the information is essentially for parents.

We look forward to seeing you on Wednesday 11th October at 6.30.p.m

Yours sincerely

Mr S Corner
Deputy Headteacher
