12th December 2018

Stakeholder Surveys for Estyn Inspection at Darland High School. **Parent survey - update**

Dear Parent / Carer,

On 11th December I wrote to you with an invitation to take part in the stakeholder survey for Darland High School's Estyn inspection in January. Unfortunately, I have since been informed by Estyn that due to an administrative problem at their end, the original access codes provided to us will not work.

The new access code, which can be pasted into your browser, is:

<https://vir.estyn.gov.uk/questionnaires/pages/ParentLogin.aspx?lang=en-GB&qid=13406>

Alternatively, you can access the survey by visiting <https://vir.estyn.gov.uk/> choosing the correct survey from the list and inputting **13406**

(A copy of this letter is of course on our website, where the address may be cut and pasted into your browser)

Should you require a paper copy of the survey, please collect one from the school office. The deadline for return of paper copies is Friday 14th December and the deadline for completion of the on-line questionnaire is Friday 21st December.

Yours sincerely

P Agnew Headteacher.
