### Darland High School – PE Kit

Dear Parent,

At Darland we believe that a smart uniform is very important, it demonstrates the pride that students take in our school and themselves, this is obviously the case over in PE also.

In Spetember 2019 and throughout this academic year we as a department will be introducing a new PE kit. We hope that this will improve our pupils appearance during their PE lessons and also in away fixture and competitions.

Next year will be a transitioning year for the new kit, therefore our new year 7's will arrive wearing the brand new kit which will be compulsory for them. Years 8 to 9 will have until September 2020 before it becomes compusory. Year 10 & 11 will not be encouraged to by the new kit at all during their final year with us however they are also welcome to purchase it. You can acces both the current PE kit and the new PE kit through RAM lesuire.

To outline our current and new PE kit please see below;

Finally, can I please ask that you allow the new year 7 pupils to purchase the new kit over the summer and that you purchase from September 2019, this will ensure a smooth transition from the old kit to the new kit. Many thanks for your support on the new PE kit, we believe it is integral to the future success of the department.

Kind Regards,

Gemma Gardner
