Headteacher Mrs J Lee BSc NPQH

Dear Parent / Guardian

As you are aware, we have been updating our home communication systems. To make these as efficient as possible for parents we have invested in SIMS ParentApp which provides many functions including:

- Communication of 'text' like messages.
- School Calendar
- Achievement Record
- Behaviour Record
- Attendance Record
- Homework
- Access to update your son's /daughter's data file e.g. phone numbers, emails etc.

Over the next three weeks we will be moving our services such as homework and calendar to this facility, and over the next couple of months our texting service will also be moved. Please ensure you have installed the SIMS ParentApp to your device to take full advantage of the new efficient system. Your patience during this time is appreciated.

If you have not yet downloaded the App further advice on SIMS ParentApp and support of how to register can be found on our website at: <https://darland.wrexham.sch.uk/new-parent-app/>

If you have any questions regarding the SIMS ParentApp please get in touch, and one of our staff will be happy to support.

Please be aware we are receiving problems accessing the 'Show my Homework' site, which has reported temporary issues.

Happy New Year.

Yours Sincerely

**Joanne Lee**  
Headteacher
