

Headteacher's Welcome

Hello, and welcome to Darland High School. I am delighted you have chosen to join our community, and are very much looking forward to meeting you all. Darland is a happy and successful school, and I am sure you will thrive here as part of our family.

We provide a safe and welcoming environment where our students are at the centre of everything we do. We are committed to offering the very best education through great learning experiences. Since our opening in 1958, we have grown into a community of over 1000, with 850 pupils and 160 staff members. Our dedicated team of staff offer a wide curriculum that ranges through the faculties of science, mathematics, languages, creative arts, humanities and sports so no student will be left wanting. Our pastoral team work tirelessly with students to ensure each student is prepared and ready to learn. The most important Team to us however, is the link built between school and home, where together we can most effectively prepare and support students to achieve all that they can.

Please read through the information pack carefully, **complete and return to school asap**. These are indeed strange times and in the current climate we have created an online transition package, so once we have your full details we can add you to our **Online Transition Programme**. Here you will start to experience Darland High School, and we can start to get to know you.

Kind regards

Joanne Lee

Headteacher
