GCSE Controlled Assessment Policy March 2022

Definition

Controlled Assessment is a form of internal assessment which replaces GCSE coursework. It encourages an integrated approach to teaching, learning and assessment. It is intended to enable teachers to authenticate and confirm that students have carried out the assessment tasks set in accordance with their exam specification.

Controlled Assessment applies control over internal assessment at three points: task setting; task taking and task marking. Three levels of control apply - high, medium and low.

Additional Learning Needs **coordinator/additional learning support**

- Ensure access arrangements have been applied for and that candidates are given extra time when appropriate and that this is supervised by appropriate staff.
- Work with teaching staff to ensure requirements for support staff are met.

Task setting

- In accordance with specific GCSE awarding body guidelines, Faculty Coordinators will be responsible for the selection of controlled assessment tasks from an approved list or for setting appropriate centre specific tasks.

- Subject teachers will ensure that students understand the assessment criteria for any given assessment task.

Task sitting

Controlled Assessment tasks will be undertaken with three levels of supervisions:

- Formal (high level of control)
- Informal (medium level of control)
- Limited (low level of control)

Faculty Coordinators will be responsible for ensuring that an appropriate level of supervision is in place for each part of an assessment tasks. Levels of supervision are clearly outlined in each subject specification.

At Darland formal supervision means:

- Candidates will be under direct supervision at all times – in most cases, supervision will be undertaken by the class teacher.
- Use of resources and interaction with others will be limited to what has been specified by the GCSE awarding body.
- Tasks will be undertaken during normal timetabled lessons in the usual teaching base.
- Use of mobile phones, watches and internet/email access will be prohibited.
- If candidates have to use electronic storage devices for their assessment work or related resources, appropriate checks will be made to ensure only permitted material is accessible.
- Subject specific display material with direct relevance to an assessment task will be covered.
- A record will be kept of the time, date of each assessment together with the name of the supervisor(s) and all students present for the assessment session(s).
- A separate record of any incidents which occur during assessments will also be kept.

At Darland informal supervision means:

- Interaction with others, including group work is permitted.
- The level of supervision applied ensures that the school is able to confirm that plagiarism has not taken place and preparation for a final / formal assessment is the candidates own work.
- Sources used by candidate are clearly recorded.

At Darland limited supervision means:

- Some aspects of work may be undertaken completely without supervision/outside the classroom – this may include research and data collection.
- Class teachers will make close reference to the relevant awarding body's specifications when applying limited supervision.

Task Authentication and Marking

- Each year, before the first controlled assessment is conducted in school, all students in Year 10 will be issued with a copy of the JCQ Notice to Candidates GCSE and Principle Learning: Controlled Assessments.
- Candidates will be reminded of the key points from this document before completing each assessment task.

- Before assessment tasks are submitted, candidates will be required to sign a declaration confirming that the work is their own and that assistance given/sources used have been acknowledged. Class teachers responsible for supervising and marking controlled assessments are also required to sign a declaration confirming the candidates have completed work under the appropriate conditions and they are satisfied the work has been produced solely by that candidate.
- Darland will use the JCQ declaration of authentication for controlled assessments or a similar document provided by the relevant GCSE awarding body. If either the candidate or the assessor is unable to sign this declaration, zero marks will be awarded for the assessment task. If Candidate malpractice is suspected, this will be immediately referred to the relevant Faculty Coordinator and Examinations Officer who will follow the guidance set out in the JCQ instructions for controlled assessment.
- Internally assessed tasks will be marked by the class teacher according to the requirements of the subject specification. Work will be annotated according to subject specification requirements. Internal standardisation will be completed before external moderation to ensure all work has been marked to the same standard. Any conflict of interest between a teacher and a pupil (e.g. if the teacher is related to the pupil) must be declared to the Headteacher, who will put in place measures to ensure the integrity of the assessment process. If a controlled assessment task is to be externally assessed, all work and authentication declarations will be submitted according to awarding body requirements and deadlines.

Factors affecting individual candidates

- If a candidate misses part of a controlled assessment task through absence, an alternative supervised session will be organised.
- The school will follow the procedures set out in JCQ guidelines if assessment tasks are lost or accidentally destroyed at the school.
- Special Access Arrangements will be agreed according to the published JCQ guidance on Access Arrangements. This will be co-ordinated by the ALNCO
- The school will consider requests to repeat controlled assessment tasks if they are made before marks have been submitted to the relevant awarding body. Decisions will be made on an individual basis, by SLT in consultation with Faculty Coordinators. If a controlled assessment task was completed under formal supervision, a completely new task must be set under a new period of formal supervision.

Schedule for Controlled Assessment

The school will produce a schedule showing periods of controlled assessment for each subject. This will be linked to the whole school calendar and extra-curricular events in order to prevent candidates from missing important assessments. As far as possible the school will adhere to the published schedule of assessments.
