

# Darland High School CURRICULUM POLICY

February 2023

## Overview

Darland High School provides a curriculum which promotes the spiritual, moral, cultural, mental, intellectual, personal, social and physical development of all its pupils and prepares them for the opportunities, responsibilities and experiences of adult life.

As well as lessons and extracurricular activities, the curriculum includes approaches to teaching, learning and assessment, the quality of relationships within school, and the values embodied in the way the school operates.

## Aim

The school's aim is to offer a broad and balanced curriculum accessible to all pupils that develops the knowledge, understanding, skills and attitudes which are necessary for each pupil's self-fulfilment and development as active and responsible citizens. In line with the Curriculum for Wales and the Curriculum & Assessment (Wales) Act 2021. The curriculum prepares pupils for further study, employment and adult life enabling all our pupils to become:

- ambitious, capable learners, ready to learn throughout their lives
- enterprising, creative contributors, ready to play a full part in life and work
- ethical, informed citizens of Wales and the world
- healthy, confident individuals, ready to lead fulfilling lives as valued members of society

## Underpinning Principles

The School's curriculum will ensure that:

- the education of all pupils has equal value
- the link between disadvantage and underachievement is actively addressed
- all pupils are challenged to reach the highest standards of which they are capable
- the literacy and numeracy skills of all pupils is a main priority.
- the provision is concerned with developing personal and social values as well as knowledge and skills
- while breadth is maintained, an element of individual choice exists to provide pupils with flexible learning pathways

The school curriculum:

- focuses on the learner
- raises aspirations and sets appropriate challenges
- provides opportunity for achievement
- ensures that appropriate skills development is woven throughout the curriculum
- focuses on continuity and progression
- is flexible, balanced, relevant and differentiated

The school will take every opportunity to ensure all pupils, whatever their ability, make the best progress possible and achieve the highest possible standards in subjects and qualifications. The school will strive to narrow the gaps in achievement and enable those not achieving age-related expectations to catch up with their peers. The school will challenge more able and talented pupils (MAT) so that they achieve their full potential and their progress is sustained and enhanced making certain all young people develop the skills and abilities needed for success in life and can apply them in a wide range of contexts.

## General Arrangements (Formal Curriculum)

The school will deliver a curriculum in line with the with the Curriculum for Wales and the Curriculum & Assessment (Wales) Act 2021. The curriculum will be organised in the way that best suits the needs of our pupils whilst ensuring the delivery of a broad and balanced provision. The school will also respond positively to guidance from the Welsh Government and GwE on the implementation of the forthcoming 'Curriculum for Wales'. The School will deliver the new Curriculum for Wales alongside the final delivery of the National Curriculum and manage the transition positively.

## New Curriculum for Wales

The new Curriculum for Wales will be first taught in September 2023. The School will work with key stakeholders to successfully implement the curriculum year on year there after.

The Act sets out the four purposes of the curriculum in law. It also sets out the following mandatory elements which, with the exception of English, span the 3 to 16 learning continuum:

- the cross-curricular skills of literacy, numeracy and digital competence
- areas of learning and experience (Areas)
- relationships and sexuality education (RSE)
- religion, values and ethics (RVE)
- Welsh
- English – from age 7.

## National Curriculum for final teaching 2025

### Skill Development

The school is committed to developing the literacy and numeracy skills of the students through the Literacy and Numeracy Framework (LNF) throughout the curriculum.

### Key Stage 3

At Key Stage 3 (KS3) the school curriculum consists of:

- Core subjects – English, Welsh(2<sup>nd</sup> language), Mathematics, Science and Religious Education
- Non core subjects – , Modern Foreign Languages, Design and Technology, ICT, History, Geography, Art, Music, Physical Education. PSE (including sex education) & Careers Education & Guidance and the World of Work

### Curriculum time allocated to subjects.

#### Key Stage 3

	En	Ma	Sc	We	Fr	Hi	Gg	Re	DT	Ar	Mu	DI	Pe
Year 7	8	7	7	3	3	3	3	3	4	2	2	2	4
Year 8	7	7	6	4	3	3	3	3	4	2	2	2	4
Year 9	8	7	6	4	3	3	3	2	4	2	2	2	4

## Key Stage 4

	En	Ma	Sc	We	SkCh*	Pe	Op 1	Op 2	Op 3
Year 10	8	9	10	4	2	2	5	5	5
Year 11	9	8	10	4	2	2	5	5	5

\* SkCh is Skills Challenge, a stand-alone qualification, equivalent to a GCSE

### Personal & Social Education (PSE)

PSE is delivered both through assemblies and the wider curriculum and in a series of collapsed timetable half days (one a term) for each year group. (See PSE Policy)

### Ability grouping of classes in KS3

In Year 7, all subjects are taught to mixed ability form groups apart from the following, which are taught in sets:

Maths, (ability sets), D&T (smaller mixed ability sets) and PE, (mixed ability gender sets)

In Year 8, the following subjects are taught in sets: Maths, English, French, Welsh and RE (ability sets), D&T (smaller mixed ability sets) and PE, (mixed ability gender sets).

Year 9 follows the same arrangement as Year 8, but for this year group, Science is taught in sets and RE is taught in mixed ability forms.

### Curriculum Support

Pupils with additional learning needs receive tailored support from Future Focus (The ALN Department), usually being extracted for one or two hours a week from the mainstream timetable.

### Disapplication

Students with statements of Special Educational Needs or those on ESAP will normally not follow formal courses in Welsh and French and will instead have extra lessons in Future Focus. The decision to disapply a student from following part of the National Curriculum must be taken very carefully after the student's learning needs have been analysed and the parents consulted. Each application for disapplication should be signed off by the headteacher and a copy of the disapplication form kept for future reference.

## Key Stage 4

### Learning Core

All students entering Year 10 will work towards the Skills Challenge at either Foundation or National level. The key stage 4 school curriculum is divided into the learning core and options. The core curriculum consists of: English Language, English Literature, Welsh second language, Mathematics, Mathematics Numeracy, Science, Education and Physical Education. Statutory Religious Education is taught in drop down half days and in two form periods a fortnight in Year 10. A Careers Wales advisor provides specialist advice to all pupils in Key Stage 4 and also provides guidance to all pupils in year 9 as they decide on their Key Stage 4 options.

## **Options and the Measure**

All pupils also can choose three optional subjects from a number of courses that satisfy the Learning and Skills (Wales) Measure 2009. One of the Options subjects can be taken at Coleg Cambria from a wide number of mostly vocational qualifications. All pupils have the opportunity to select from a range of academic and vocational based courses and receive guidance from senior staff when making option choices to ensure that these are appropriate to the pupil's preferred learning pathway.

## **Enrichment Courses**

A number of pupils with Special Educational Needs have the opportunity to access a wider range of enrichment courses delivered by a number of local schools and colleges. These courses are vocationally based at entry level or level 1 in the National Qualifications Framework. The appropriateness for selection for these courses is assessed by the ANCO -in collaboration with the Year 9 Progress Coordinator.

## **The Welsh Dimension and Cwricwlwm Cymreig**

In planning the curriculum, the school provides a distinctive Welsh dimension and Cwricwlwm Cymreig underpins the whole curriculum for all pupils, helping pupils to understand the distinctive quality of living and learning in Wales enabling them to develop and apply knowledge and understanding of the cultural, economic, environmental, historical and linguistic characteristics of Wales.

## **The informal curriculum**

There is a range of clubs, societies, charities and curriculum enrichment opportunities for all pupils. In particular there is a wide range of sporting activities at lunch time and after normal school hours. This is supplemented by the work of the 5x60 officer. There are also many opportunities in music and drama. The school is committed to broadening pupil's experience of geography through organised cultural and sporting local national and international visits.

## **Links with Policies**

The Curriculum Policy takes account of, and should be read in conjunction with, the following policies:

- Teaching and Learning
- Assessment, Recording and Reporting
- Equalities Policy
- SEN Policy
- Literacy Policy

This policy has been impact assessed for workload. Grade = zero
