Letter from the Headteacher

Dear Colleague,

Thank you for your interest in working at Darland High School.

I am immensely proud to be the Headteacher here at Darland and I want everyone who comes to Darland High School to be an equally proud member of our family. Our work is about making a real difference to the lives of children so that they in turn make a discernible difference to their communities, our town and our world.

We serve a diverse community in North East Wales, ranging from high levels of disadvantage and deprivation to affluent areas of rural Wrexham, and we work as a team to provide all our students with the best education and opportunities to inspire them to be successful.

Our students are at the heart of everything we do at Darland High School, every child matters to us and we believe that every child can succeed. Our core values of Courage, Respect, Kindness, Resilience and Honesty underpin all we do, our expectations for academic standards and behaviour are therefore unapologetically high.

At Darland you will find a creative and ambitious team, this creativity and innovative mind-set is seen across the Darland Learning Community. The Darland Learning Community is an innovative partnership we have created in conjunction with our primary colleagues of St Peter's Rossett, All Saints' Gresford, The Rofft Marford, Holt CP and Llay Park Llay. A strong partnership of like-minded educationalists serving the communities of Northeast Wrexham.

The last four years have seen significant changes in society and the school. Over the course of that period our GCSE results have bucked the national trend and have increased year on year to some of the highest results in North Wales. We are undoubtedly on a journey of change with our sights set on becoming the sector-leading school in the area. We have a dedicated team of staff who work together tirelessly with our wider community with this goal in mind.

I look forward to reading your application.

Kind regards

Joanne Lee

DIMENSIONS:

Darland High School is an English-medium secondary school in North-east Wrexham. In September 2019 Joanne Lee was appointed as Headteacher. Since this time the school has been undergoing significant system change in many areas and developing a strong culture of collegiate support and constant improvement. Our Welsh curriculum is designed to ensure effective progression from KS2 right through to final KS4 assessment, whilst awakening an enjoyment for the subject within our pupils and ensuring they are equipped as best as possible to utilise the Welsh Language effectively in a variety of situations once they leave Darland.

Our aim is to ensure that all learners study Welsh with interest, enjoyment and enthusiasm and become confident, resilient communicators. The programme of study for Key Stage 3 in Welsh allows pupils to develop knowledge, skills and understanding of the Welsh language. Pupils study a range of topics and focus on developing oral, writing and reading skills. Pupils focus on learning vocabulary and grammatical constructions in a wide range of contexts. At GCSE level, pupils follow the WJEC specification which enables learners to understand and use the language for a variety of purposes and audiences.
