

THE D+T **MONSTER** **CHALLENGE**

The DT Monster Project – Year 7 Transition Work – Design and Technology/Food Technology

It's a Scary time so we thought we would give you a few challenges that will hopefully make you and your families laugh!

On the next few pages you will find some fun challenges inspired by Monsters for each area of Design and Technology.

The challenge is split into 2 areas to cover over the next 2 activities.

1 – 1 Hour – Mood Board & Design Task.

2 – 1 Hour – Making Task.

THE D+T MONSTER CHALLENGE

BE CREATIVE

Design and Make a Monster
using any empty milk or juice carton
plus other found items in your homes.

#1

EAT WELL

Feed your family and make
them smile by creating
Monster Food.

Remember to wash your hands
and follow hygiene rules.

#2

GET SEWING

Raid your odd sock draw and
make a **sock monster** or have a
go at making a **monster
PomPom.**

#3

THE D+T MONSTER CHALLENGE

1. Design Tasks

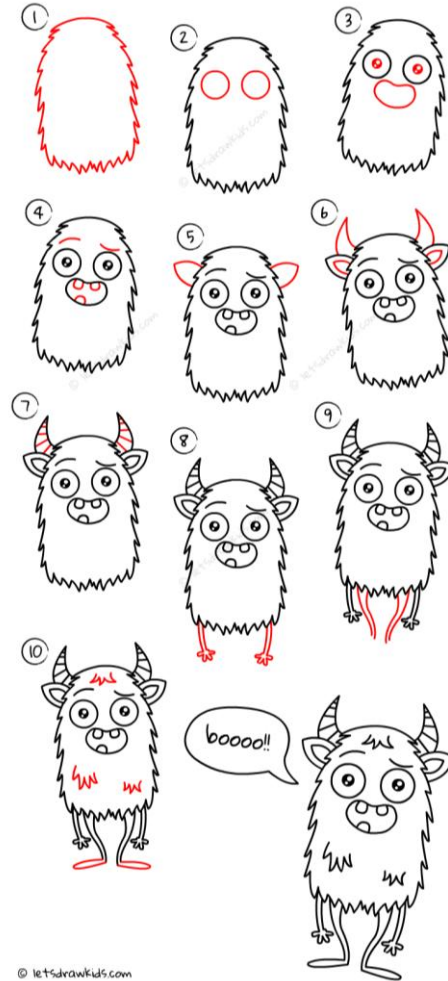

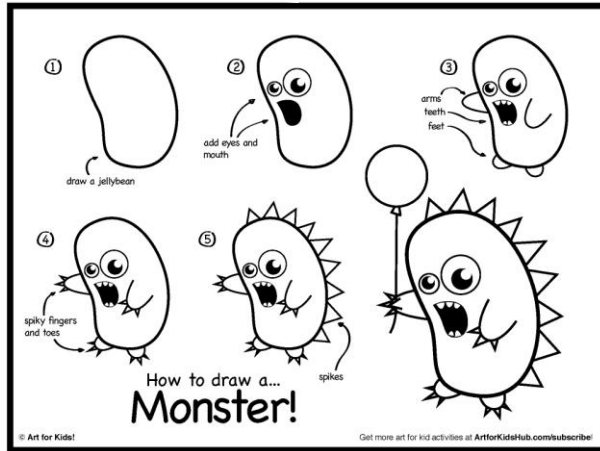

THE D+T MONSTER CHALLENGE

Design Tasks

1. Create a **mood board** of images using the theme of monsters. This is a page full of pictures that inspire you.
2. Come up with a range of **design ideas** (Drawings or sketches). Be creative and original. Your Monster can be made from anything that you can find. The final product could be a drawn graphic, 3D sculpture, Food, pop up card or textiles.

THE D+T MONSTER CHALLENGE

MOOD BOARD

Create a Mood Board using lots of different images to fully cover an A4 sheet of paper like the examples below:

Practice your drawing skills by creating a unique monster. Maybe use your little brother/sister as inspiration!

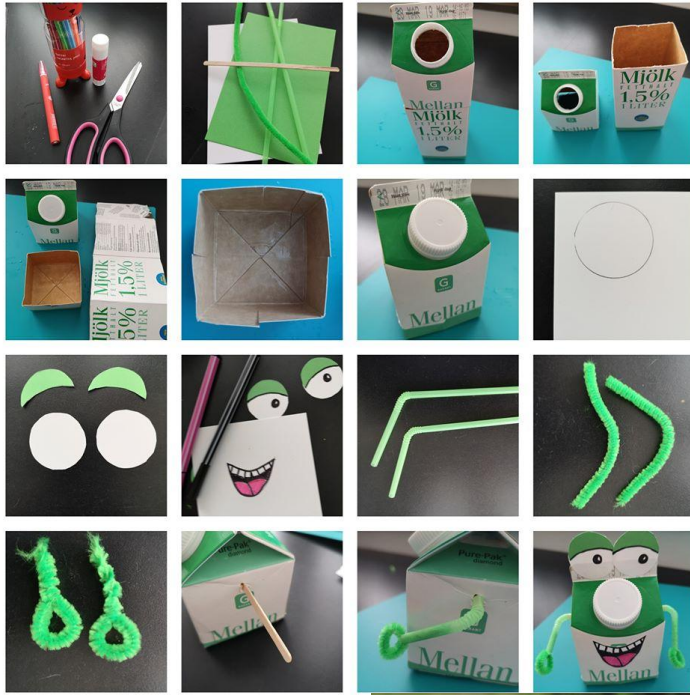

THE D+T MONSTER CHALLENGE

2. Making Tasks

Select from one of the titles: Be Creative, Eat Well or Get Sewing.....

BE CREATIVE

Design and Make a
Monster using any empty milk or
juice carton plus other found items in
your homes.
